Sir,

Subject Reconstitution of Frenchrocks Municipal Council

--

I have the honor to state that the above Municipal Council is to be reconstituted from1-1-1944 as per this office Notification dated 11th December 1943 The Municipal Council consists of 10 elected, 3 nominated and 3 ex-officio Municipal Councillors The Ex-officio Municipal Councillors are the Sub Division Officer, Frenchrocks, the Sub Assistant Surgeon, L F Dispensary and the Assistant Engineer, Lower Channels Division, The Sub Division Officer has suggested in his report that instead of the Sub Assistant Surgeon and the Asst Engineer, Lower Channels Division, the Assistant Health Officer, Malaria Control Unit and the Assistant Engineer, Irwin Canal Sub Division may be appointed as the presence of the Health Officer on the Council would go a considerable way to improve the sanitation of the Municipality in coordination with the malaria control work now taken by the Malaria control unit at the place and the Assistant Engineer, Irwin Canal Division, who is in charge of antimalarial engineering work is more directly connected with the Municipality than the Assistant Engineer, Lower Channels Division

P T O

6

As was the practice hitherto the senior Medical Officer and the senior officer of public works -- Department have been nominated at present as Ex-officio Municipal Councillors

As suggested by the Sub Division Officer and Ex-officio President, Frenchrocks Municipality, the presence of the two officers viz the Asst Health Officer and the Asst Engineer, ~~Lower Channels Division~~ Irwin Canal Sub Division would be more beneficial than the ~~t~~ two officers now appointed as Ex-officio Municipal - Councillors, I request you therefore kindly obtain sanction of Government to the nomination of the Asst Engineer, Irwin Canal Sub Division and the Asst Health Officer, Malaria control work as Ex-officio Members of Frenchrocks Municipal Council for a period of 3 years from 1-1-1944 in place of the Assistant Engineer Lower Channels Division and the Sub-Assistant Surgeon Frenchrocks. I have the honor to be,

Sir,

Your most obedient servant,

Deputy Commissioner,
